Greetings all and welcome to the December 2019 club newsletter. If you have suggestions for improvements, please email me at [martinsolutionsrh@att.net](mailto:martinsolutionsrh@att.net)

**Message from the President:** First, forgive me if I have gotten any names mixed up. It is hard for me to remember my name at times. With that said, a lot of time has passed since our dinner and if you were not able to attend for reasons, you missed another good time had by all. Lots of good food, friends, and fellowship by all. And lots of prizes were given away.

I hope that you all had a great Thanksgiving and Christmas and that each of you have been healthy. I also hope you have a project in the makings.

We have had 2 great meetings this year so far. Jim Thorpe enlightened us with a presentation on using carbide turning tools in January and Will Cronkite mesmerized the group with a presentation on the use of wood in the antique car restoration process.

I will be demonstrating the use of sharpening techniques during our March meeting at my shop in Sharon. Hope to see you there.

**The December 2019 Christmas Banquet: Friday, November 22, 2019**

Was held at the York County Fire Department. We all had a wonderful delicious meal and there were lots of wonderful door prizes. If you weren't there you missed a real treat. Below are some pictures of the event.

**FROM THE EDITOR:** This concludes the December 2019 newsletter – Christmas Banquet/Dinner. I would like to extend a special thanks to Deb Martin and Vickie Lee for taking charge of setting up the food table and Deb for the tablecloths and poinsettias. Also, to all the others who arrived early and helped with table and chair setup. Finally, to those members who brought personal projects to show and explain as well as those who donated projects for door prizes, our heart felt thanks. Hope everyone has a safe, relaxing and enjoyable holiday season and can spend quality time with loved ones, family and friends. Be sure to check the web site for 2020 meeting schedule. See everyone next year.
